Dear Chief Plant,

Thank you for another successful renewal of the Department of Labor's SHAPE award. Because of your efforts and the efforts of the employees of the Berwick Fire Department, you have again received the highest honors for promoting and consistently improving conditions for the safety and health of employees.

Enclosed is your date tag to be attached to your existing SHAPE plaque, which should be attached at your earliest possible convenience. Even though the Berwick Fire Department has exempted themselves from BLS inspections, we hope that you will still use the services of the Department of Labor whenever possible and you will seek and help other employers to help promote the SHAPE program.

Included is a tag to attach your current SHAPE plaque extending your award and exemption to 2 years extending from October 2014 to October 2016.
