Request for Proposal Design and Structural Repair Town of Berwick Auditorium

The Town of Berwick, Maine is seeking design/structural repair services for an outside wall to the Town of Berwick Auditorium. This section of the auditorium which is a brick structure, has cracked and appears to have structural issues within an exterior door and large window.

There will be a required Pre-Bid Meeting on June 29, 2016 at 10AM at the Berwick Town Office, Auditorium. Site visits are available during the regular business hours of the Town Office. All bids must include an itemized cost break down to include design fees, material costs and labor. It must also include an anticipated start and finish date and proof of insurance.

Bids must be submitted by July 21, 2016 at 10AM. Bid opening will be the same day and awarded on August 2, 2016 at the regular scheduled Board of Selectmen Meeting 6:30PM. All questions should be directed to Stephen G. Eldridge, Town Manager at 207-698-1101, ext. 111

The Board of Selectmen reserves the right to accept and or reject any or all bids.
