

PUBLIC NOTICE

From Maine Department of Transportation:

The current plan for Hubbard Road is to detour traffic starting at 9:00 AM on July 16th until the end of the day on July 17th. The official detour route will use Route 202 (Carl Broggi Highway), Little River Road, Pine Hill Road and Rochester Road. Hubbard Road will only be closed to traffic a few hundred feet on either side of the work zone. The work zone is just west of Hornes Mill Road (where the stream bends and then runs parallel to Hubbard Road).

There are shorter detour options that the traveling public may well use, but the routes didn't meet MaineDOT standards for an official detour route.

If you have any additional questions feel free to contact.
